NO BARRIERS OUTDOOR CLASSIC

SEPTEMBER 27-28, 2021 / THE CLIFFS AT WALNUT COVE

THE CLIFFS

The No Barriers Outdoor Classic raises money to support No Barriers, a non-profit organization that helps people break through barriers, find their inner purpose, and contribute their best to the world. Specifically, the Outdoor Classic supports the No Barriers Warriors program that serves veterans with disabilities through transformative expeditions, catalyzing change by challenging the way veterans think about themselves, their barriers, and their future. This fundraiser will help fund two expeditions in Pisgah National Forest for Western North Carolina veterans with disabilities and expand the Warrior Training Program.

Join us for this extraordinary fundraising event which includes a hike with veterans with disabilities, an 18-hole scramble tournament alongside No Barriers Warriors and Special Forces Operators from Ft. Bragg and luncheon at the exclusive Cliffs at Walnut Cove Golf Course.
