DONOR PRIVACY POLICY

At No Barriers we take our commitment to our donors seriously and do all we can to appropriately steward and recognize their generosity. Our commitment to our donors is that we will not sell, share or trade our donors' names or personal information with any other entity, nor send mailings to our donors on behalf of other organizations.

This policy applies to all information received by No Barriers both online and offline, on any giving platform or mobile application, as well as any electronic, written, or oral communications.

To the extent any donations are processed through a third-party service provider, our donors' information will only be used for purposes necessary to process the donation.

We do recognize our donors by name only in our annual report. We do this to honor and recognize the gift. No personal information aside from the donor name is included. If a donor prefers for us to omit their name from the annual report, they may opt out by contacting No Barriers directly.
