1. Information We Collect

Information You Give Us.

When you interact with our Platform, you may choose to provide information that could reasonably be used to contact you, or to identify you personally, or that otherwise relates to your person ("Personal Information"), such as:

Your contact information (e.g., name, e-mail address, postal address, and telephone number);

Geolocation information, such as your city, state or zip code;

Demographic information, such as age information and gender;

Payment information, such as credit card number and expiration date;

Communications preferences;

Comments, photos, and other user-generated content posted in our interactive online features;

Correspondence and other information that you send to us; and

Additional information as otherwise described to you at the point of collection or pursuant to your consent.

Information We Automatically Collect or Receive When You Use Our Platform.

Whenever you interact with our Platform, we, as well as any of our third-party advertisers and/or service providers, may use a variety of technologies that automatically or passively collect information about how the Platforms are accessed and used ("Usage Information"). Usage Information may include, among other things:

Your browser type and operating system;

Pages you view and links you click on within the Platform;

Information collected through cookies, web beacons, and other technologies; and

Information about your interactions with e-mail messages, such as the links clicked on and whether the messages were opened or forwarded.

Usage Information is generally non-identifying, but if we associate it with you as a specific and identifiable person, we will treat it as Personal Information.

Device Identifiers

In the course of collecting Usage Information, we may also automatically collect your IP address, or other unique identifier ("Device Identifier") for the computer, mobile device, Wi-Fi card, technology or other device (collectively, "Device") you use to access the Platform.

A Device Identifier is a number that is automatically assigned to your Device when you access a website or its servers, and our computers identify your Device by its Device Identifier. When you visit the Platform, we may view your Device Identifier. We use this information to determine the physical location of your Device, including longitude and latitude information. We may also use this information to enhance the Platform and we may associate your Device Identifier with your Personal Information.

Cookies and Similar Technologies.

We may use cookies, pixel tags, Local Shared Objects (sometimes referred to as "Flash Cookies"), and similar technologies to automatically collect this information. Cookies are small bits of information that are stored by your computer's web browser. Pixel tags are very small images or small pieces of data embedded in images, also known as "web beacons" or "clear GIFs," that can recognize cookies, the time and date a page is viewed, a description of the page where the pixel tag is placed, and similar information from your computer or device. Local Shared Objects or Flash Cookies are similar to standard cookies except that they can be larger and are downloaded to a computer or mobile device by the Adobe Flash media player.

We may allow third parties to place and read their own cookies, web beacons, Local Shared Objects, and similar technologies to collect information through the Platform. For example, our third-party service providers may use these technologies to collect information that helps us with traffic measurement, research, and analytics.

By using the Platform, you consent to our use of cookies and similar technologies. You can decide if and how your computer will accept a cookie by configuring your preferences or options in your browser. However, if you choose to reject cookies, you may not be able to use certain online products, services or features on the Platform. Please note that you may need to take additional steps beyond changing your browser settings to refuse or disable Local Shared Objects and similar technologies.

Information From Other Sources.

We may receive additional information about you from other sources and may combine that information with the other information we collect or receive about you. For example:

We may receive information about you from program nominations or application forms.

We may receive information from your donor profile if you've donated to the organization.

If you are on another website and you opt-in to receive information from No Barriers, that website will forward to us your e-mail address and other information about you so that we may contact you as requested;

You may also choose to participate in a third party application or feature (such as one of our Facebook or Twitter applications or a similar application or feature on a third party website) through which you allow us to collect and share (or the third party to collect and share) information about you, including Personal Information.

We may match the information we collect about you through the Platforms with information collected from such third parties in order to enhance our ability to serve you, to tailor our content to you and/or to offer you opportunities that we believe may be of interest to you.

2. How We Use the Information We Collect or Receive

We use the information we collect and receive for the following general purposes:

Provide you with the promotions, services, newsletters, and information you request and respond to correspondence that we receive from you;

Contact you via email and otherwise about products, services, and events that we think might be of interest to you;

Contact you with surveys, legal notices, and other information that may be relevant to your participation in or attendance at opportunities;;

Maintain or administer the Platform, perform business analyses, or for other internal purposes to improve the quality of our business, the Platform, and other products and services we offer;

Publish comments, images, video submissions and other information posted in our interactive online features; and As otherwise described to you at the point of collection or pursuant to your consent.

3. How We Share the Information We Collect and Receive

We are committed to maintaining your trust, and we want you to understand how we may share the information we collect.

Member Organizations and Affiliates. We may share your information with our member organizations and other affiliated entities for a variety of purposes, including business, operational, and marketing purposes.

Service Providers. We may share your information with third party service providers that perform certain functions or services on our behalf.

Select Business Partners. We may share your information with select business partners so that they can provide you with special offers, promotional materials, and other materials that may be of interest to you. However, No Barriers is not responsible for the privacy practices of these business partners, which may use your information for their own purposes.

Other Parties When Required By Law or as Necessary to Protect the Platform . We may disclose your information to third parties in order to protect the legal rights, safety, and security of No Barriers; prevent fraud (or for risk management purposes); and comply with or respond to law enforcement or legal process or a request for cooperation by a government or other entity, whether or not legally required.

In Connection With a Reorganization or Transfer of Assets. If we sell all or part of our business, or make a sale or transfer of assets, or are otherwise involved in a merger or business transfer, or in the event of bankruptcy, we may transfer your information to one or more third parties as part of that transaction.

Other Parties With Your Consent. We may share information about you with third parties when you consent to such sharing, including when you post information to a user profile or a public area of the Platform, such as a chat room, forum, blog, or other community tool.

Aggregate Information. We may disclose to third parties information that does not describe or identify individual users, such as aggregate website usage data or demographic reports.

4. Your Choices

You have a number of choices about how we handle information we collect or receive about you.

Your Choice Not to Share Your Information or Receive Promotional Messages. You may always direct us not to share your Personal Information with third parties (other than our service providers), not to use your Personal Information to provide you with information or offers, and not to send you newsletters, emails or other communications by: (i) modifying your registered user information on the Platform; (ii) sending us an email at info@nobarriersusa.org; (iii) contacting us by mail at No Barriers USA, 605 S. College Ave. #101 Fort Collins, CO 80524; or (iv) following the removal instructions in the communication that you receive.

Your Choice to Correct/Delete/Modify Your Information. If you wish to modify, verify, correct, or delete any of your Personal Information collected through the Platform, you may edit your registered user information or contact us at the above address or email. In accordance with our routine record keeping, we may delete certain records that contain Personal Information you have submitted through the Platforms. We are under no obligation to store such Personal Information indefinitely and disclaim any liability arising out of, or related to, the destruction of such Personal Information. It may not always be possible to completely remove or delete all of your information from our databases without some residual data because of backups and other reasons.

5. Data Security

We have adopted security procedures to help protect against loss, misuse, and unauthorized access to the information we collect and receive. Please note that no data transmission or storage can be guaranteed to be 100% secure. As a result, while we strive to protect the information we maintain, we cannot guarantee or warrant the security of any information you disclose or transmit to our Platform and cannot be responsible for the theft, destruction, or inadvertent disclosure of information.

You are responsible for maintaining the confidentiality of your account password and for any access to or use of the Platform using your password, whether or not authorized by you. Please notify us immediately of any unauthorized use of your password or account or any other breach of security.

6. Children's Privacy

Our Platform is directed to a general audience. Our Platform does not knowingly collect, use, or disclose personal information from children. If you are a child (13 years of age or under), please do not submit any personal information through our Platform without the express consent and participation of a parent or guardian.

7. Links to Third Party Sites and Services

The Platform may contain links to other websites or online services that are operated by third parties. Such links do not constitute an endorsement by No Barriers of those other websites, the content displayed therein, or the persons or entities associated therewith. This Privacy Policy does not apply to this third-party content. We encourage you to review the privacy policies of these third-party websites or services.

8. Users Outside the U.S.

No Barriers is based in the United States, and, regardless of where you use our Platform or otherwise provide information to us, the information may be transferred to and maintained on servers located in the U.S. Please note that any information we obtain about you will be stored in accordance with U.S. privacy laws, regulations, and standards, which may not be equivalent to the laws in your country of residence. By using our Platform, you consent to this collection, transfer, storage, and processing of information to and in the U.S.

9. Privacy Policy Updates

We may modify this Privacy Policy at any time by posting revisions to the Platform and revising the effective on this policy date, or by providing other appropriate notice. We encourage you to periodically review this statement to be informed of how we are protecting your Personal Information.
